Area Elective:

- Course Types (vary by specialization area):
  - **CORE, METHOD, AREA** (AREA-ELECTIVE), **ELECTIVE, INTERNSHIP**
  - The course type classification matrix may be used to identify course type for a particular class by specialization area but ultimate classification of a course type for a class in a specialization area is decided by ACN Program Head.
  - At least 2 CORE courses (6 credit hours) are required for graduation with grades of B or above.
  - At least 2 METHOD courses (6 credit hours) are required for graduation with grades of B or above.
  - At least 2 AREA ELECTIVES (6 credit hours) are required for graduation with grades of B or above.
  - CORE courses and METHOD courses are pre-approved AREA ELECTIVES.
  - INTERNSHIP courses (6 credit hours) must be taken pass/fail. All remaining courses (30 credit hours) are graded.
  - 6 pass/fail credit hours of INTERNSHIP are required for graduation.
  - 36 credit hours are required for graduation (6 credit hours of pass/fail internship, 30 graded credit hours)
  - Students should actively seek INTERNSHIP opportunities 2 or 3 semesters before graduation.
