Research Opportunities for Children

*Seeking participants ages 8-17*

**Ages 8-14**
With typical hearing or hearing loss

Parent online survey about how your child interacts with others and how well they understand emotions.

**Ages 12-17**
With typical hearing or hearing loss

Adolescent online study about teenagers’ social relationships and ability to recognize different emotions.

If you or your child are interested in either study, please contact us at callierCHILL@utdallas.edu or please fill out our contact form: https://utdallas.qualtrics.com/jfe/form/SV_9z5Jshs2WN9QvJj
